

ARE YOU READY TO BEGIN YOUR REALITY SINGING SHOW JOURNEY?

Let's address what a Reality Singing Show IS and IS NOT:

It's IS NOT :

- ✗ Your overnight path to career success.

- ✗ Your one & only music opportunity. (trust me, the world is your oyster!)

It IS:

- ✓ An huge opportunity to expand your music impact.
- ✓ An extension of your music marketing efforts as an independent performing artist.
- ✓ A great place to network and create lifetime music industry connections.

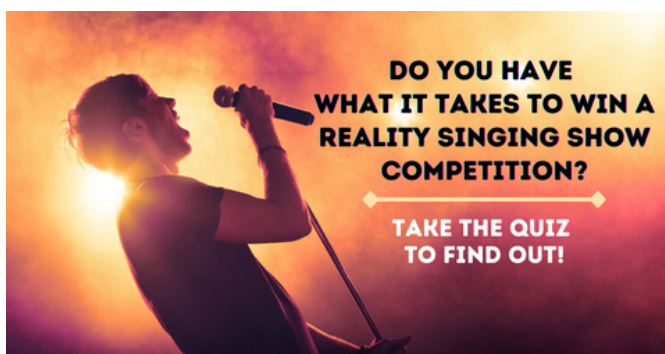

HI! I'M BRIANNA!

It's my personal belief that reality singing shows are not for everyone; however, they are an excellent marketing opportunity for your music career when leveraged and maximized properly.

But, where do you start?

I always recommend starting with your motivation and intention. What outcome are you shooting for through this experience?

Next, do the research! What opportunities are available for you to take advantage of? On the next page, I have a research cheatsheet to get you started!
